## SETTLEMENT AGREEMENT

Subject to the approval of both of the Courts as provided herein, the Plaintiffs and the Defendants hereby agree that in consideration of the promises and covenants set forth in this Agreement and upon the Approval Orders becoming Final Orders, these Actions will be settled and compromised, and the Settlement implemented, pursuant to the terms and conditions contained herein.

### SECTION 1- RECITALS

#### WHEREAS:

- A. On March 1, 2012, the Québec Plaintiff commenced the Québec Action on behalf of the Québec Class against SNC and the Individual Defendants alleging, among other things, material misrepresentations in certain of SNC's public disclosures released during the Class Period.
- B. On June 29, 2012, the Ontario Court consolidated the actions of the Ontario Plaintiffs into a single action brought on behalf of the Ontario Class, alleging misrepresentations made in certain of SNC's public disclosures released during the Class Period (now, the **Ontario Action**).
- C. By order dated September 19, 2012, the Ontario Court granted the Ontario Plaintiffs leave under Part XXIII.1 of the Ontario *Securities Act* and certified the Ontario Action as a class proceeding and appointed the Ontario Plaintiffs as representative plaintiffs.

- D. By order dated January 24, 2013, the Québec Court authorized the Québec Plaintiff to pursue the Québec Action under the secondary market liability provisions of the Québec *Securities Act* and as a class proceeding.
- E. By orders of the Courts, the right for putative Class Members to opt out of the Actions expired on May 8, 2013.
- F. 153 persons who would otherwise have been Class Members validly exercised the right to opt out of the Actions, excluding them from further participation in the Actions and the Settlement.
- G. The Parties have engaged in years of hard-fought litigation in the Ontario Court, including numerous contested motions, appeals, the production of voluminous documentary discovery, and the completion of more than 40 days of oral discovery.
- H. The Parties have engaged in hard-fought arm's length negotiations, including multiple mediation sessions before the Honourable Warren K. Winkler (ret.).
- I. The Defendants have denied and continue to deny the Plaintiffs' claims in the Actions, have vigorously denied any wrongdoing or liability of any kind whatsoever, have asserted and would have actively and diligently pursued affirmative defences and other defences had these Actions not been settled.
- J. The Plaintiffs, with the benefit of advice from Class Counsel and based upon an analysis of the facts and law applicable to the issues in this Actions, taking into

account the burdens, complexities, risks and expense of continued litigation, the estimated total damages suffered by Class Members, legal limitations on the value of the claims advanced, the value of an early settlement as well as the fair, cost-effective and assured method of resolving the claims of the Class, have concluded that settlement on the terms set out in this Agreement is fair, reasonable and in the best interests of the Class.

- K. The Defendants, similarly, have concluded that settlement on the terms set out in this Agreement is desirable in order to avoid the time, risk and expense of continuing with the Actions, including any potential appeals, and to resolve finally and completely the pending claims raised in the Actions.
- L. As hereinafter provided, the Parties intend to and hereby do finally resolve these Actions and all the claims that were or could have been asserted in the Actions against the Defendants, without any admission of liability or wrongdoing whatsoever by the Defendants, or any of them, with prejudice and without costs, subject to the approval of this Agreement by the Courts.

**NOW THEREFORE**, in consideration of the covenants, agreements and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree that this Agreement represents the agreement between the Parties to resolve and release, fully and finally, in accordance with the terms more particularly set out herein, all Released Claims, and subject to the approval of the Courts as provided herein, to obtain Approval Orders that are Final

Orders dismissing the Ontario Action as against the Defendants with prejudice and without costs and declaring the Quebec Action settled out of Court in capital, all applicable taxes, interest and costs.

- (1) As of the Effective Date, and in consideration of payment of the Settlement Amount and for other valuable consideration set forth in this Agreement, the Releasers forever and absolutely release, waive and

discharge the Releasees from the Released Claims that any of them, whether directly, indirectly, or in any other capacity ever had, now have or hereafter can, shall or may have.

- (2) The Releasors acknowledge that they may hereafter discover facts in addition to or different from those facts which they know or believe to be true with respect to the Actions and the subject matter of this Agreement, and that it is their intention to release fully, finally and forever all Released Claims, and in furtherance of such intention, this release and, subject to the provisions of Section 8, this Agreement shall be and remain in effect notwithstanding the discovery or existence of any such additional or different facts.

## **10.2 No Further Claims**

- (1) As of the Effective Date, the Releasors and Class Counsel shall not now or hereafter institute, continue, maintain or assert, either directly or indirectly, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim or demand against any of the Releasees or any other person who may claim contribution or indemnity from any of the Releasees in respect of any Released Claim.
- (2) For further certainty, nothing in this Agreement shall be construed as releasing any claim that each of the Releasees may have against any other Releasee.

## **10.3 Dismissal of the Actions**

- (1) As of the Effective Date, the Ontario Action shall be dismissed as against the Defendants with prejudice and without costs and the Quebec Action shall be declared settled out of court in capital, all applicable taxes, interest and costs.

## **SECTION 11- ADMINISTRATION**

### **11.1 Appointment of the Administrator**

- (1) By order of the Court, the Administrator will be appointed to serve until such time as the Settlement Funds are distributed in accordance with the Distribution Protocol, to implement this Agreement and the Distribution Protocol, on the terms and conditions and with the powers, rights, duties and responsibilities set out in this Agreement and in the Distribution Protocol.

### **11.2 Information and Assistance from the Defendants**

- (1) SNC shall, forthwith and prior to the hearing of the First Notice Motions, authorize and direct its transfer agent to deliver an electronic list of all persons identified in its records who may be Class Members, along with such information as may be available to facilitate the delivery of notice to those persons to the Administrator. The reasonable fees and expenses required to be paid to SNC's transfer agent so as to accomplish this shall be paid as an Administration Expense from the Escrow Account.
- (2) The Administrator may use the information obtained under Section 11.2(1) for the purpose of delivering the First Notice and Second Notice and for the purposes of administering and implementing this Agreement, the Plan of Notice and the Distribution Protocol.
- (3) Any information obtained or created in the administration of this Agreement is confidential and, except as required by law, shall be used and disclosed only for the purpose of distributing notices and the administration of this Agreement and the Distribution Protocol.

### **11.3 Claims Process**

- (1) In order to seek payment from the Settlement Funds, a Class Member shall submit a completed Claim Form to the Administrator, in accordance with the provisions of the Distribution Protocol, on or before the Claims Bar Deadline. From and after the Effective Date, Class Members shall be bound by the terms of the Settlement regardless of whether they submit a completed Claim Form or receive payment from the Settlement Funds.
- (2) In order to remedy any deficiency in the completion of a Claim Form, the Administrator may require and request that additional information be submitted by a Class Member who submits a Claim Form. Such Class Members shall have until the later of sixty (60) days from the date of the request from the Administrator or the Claims Bar Deadline to rectify the deficiency. Any person who does not respond to such a request for information within this period shall be forever barred from receiving any payments pursuant to the Settlement, subject to any order of the Court to the contrary, but will in all other respects be subject to and bound by the provisions of this Agreement and the releases contained herein.
- (3) By agreement between the Administrator and Class Counsel and on Notice to Counsel for SNC, the Claims Bar Deadline may be extended. Class Counsel and the Administrator shall agree to extend the Claims Bar Deadline if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

### **11.4 Disputes Concerning the Decisions of the Administrator**

- (1) In the event that a Class Member disputes the Administrator's decision, whether in whole or in part, an Ontario Class Member may appeal the decision to the Ontario Court and a Québec Class Member may appeal the

decision to the Québec Court. The decision of the Court will be final with no right of appeal. If the Class Member is both an Ontario Class Member and a Québec Class Member, the Class Member may elect to appeal to either Court.

- (2) No action shall lie against Class Counsel or the Administrator for any decision made in the administration of this Agreement and Distribution Protocol without an order from a Court authorizing such an action.

### **11.5 Conclusion of the Administration**

- (1) Following the Claims Bar Deadline, and in accordance with the terms of this Agreement, the Distribution Protocol, and such further approval or order of the Court as may be necessary, or as circumstances may require, the Administrator shall distribute the Net Settlement Amount to Authorized Claimants.
- (2) No claims or appeals shall lie against Class Counsel or the Administrator based on distributions made substantially in accordance with this Agreement, the Distribution Protocol, or with any other order or judgment of the Courts.
- (3) If the Escrow Account is in a positive balance (whether by reason of tax refunds, un-cashed cheques or otherwise) after one hundred eighty (180) days from the date of distribution of the Net Settlement Amount to the Authorized Claimants, any balance sufficient, in the opinion of Class Counsel and the Administrator acting reasonably, to warrant further distribution shall be allocated among the Authorized Claimants to the extent reasonably possible. In the event that the balance remaining in the Escrow Account is not sufficient to warrant a further distribution, the balance shall be distributed *cy pres* to a recipient approved by the Courts.

- (4) Upon conclusion of the administration, the Administrator shall provide an accounting to the Parties for all payments made from the Escrow Account.

**SECTION 12 -- THE FEE AGREEMENT AND CLASS COUNSEL FEES**

**12.1 Motion for Approval of Class Counsel Fees**

- (1) Immediately following the Approval Motions, Class Counsel may seek the approval of Class Counsel Fees to be paid as a first charge on the Settlement Funds. Class Counsel are not precluded from making additional applications to the Courts for expenses incurred as a result of implementing the terms of the Agreement.
- (2) The Defendants acknowledge that they are not parties to the motions concerning the approval of Class Counsel Fees, they will have no involvement in the approval process to determine the amount of Class Counsel Fees and they will not take any position or make any submissions to the Courts concerning Class Counsel Fees, except as requested and required by a Court.
- (3) The procedure for and the allowance or disallowance by the Courts of any requests for Class Counsel Fees to be paid out of the Settlement Funds are not part of the Settlement provided for herein, except as expressly provided in SECTION 6, and are to be considered by the Courts separately from its consideration of the fairness, reasonableness, and adequacy of the Settlement provided for herein.
- (4) Any order or proceeding relating to Class Counsel Fees, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Approval Orders and the Settlement of this Action provided herein.

## **12.2 Payment of Class Counsel Fees**

- (1) In accordance with SECTION 6(1)(a) herein, on or after the Effective Date the Administrator shall pay from the Escrow Account to Class Counsel in trust the Class Counsel Fees approved by the Court.

## **SECTION 13 - MISCELLANEOUS**

### **13.1 Motions for Directions**

- (1) Any one or more of the Parties, Class Counsel, or the Administrator may apply to the Courts for directions in respect of any matter in relation to this Agreement and the Distribution Protocol. Unless a Court orders otherwise, motions for directions that do not relate to matters specific to the Québec Action shall be determined by the Ontario Courts.
- (2) All motions contemplated by this Agreement shall be on notice to the Parties.

### **13.2 Defendants Have No Responsibility or Liability for Administration**

- (1) Except for the obligations in respect of the performance of the obligations under subsections 4.1(1) and 11.2(1), the Defendants and their insurers shall have no responsibility for and no liability whatsoever with respect to the administration or implementation of this Agreement and the Distribution Protocol, including, without limitation, the processing and payment of claims by the Administrator.

### **13.3 Headings, etc.**

- (a) where there is a reference to a number of days between two events, they shall be counted by excluding the day on which the first event happens and including the day on which the second event happens, including all calendar days; and
  - (b) only in the case where the time for doing an act expires on a statutory holiday recognized in the Province of Ontario or Quebec, the act may be done on the next day that is not such a holiday.

#### **13.4 Governing Law**

- (1) This Agreement shall be governed by and construed and interpreted in accordance with the laws of the Province of Ontario.
- (2) The Parties agree that the Courts shall retain exclusive and continuing jurisdiction over the Actions, the Parties and the members of the Classes to interpret and enforce the terms, conditions and obligations under this Agreement and the Approval Orders.

### **13.5 Entire Agreement**

- (1) This Agreement constitutes the entire agreement among the Parties and supersedes all prior and contemporaneous understandings, undertakings, negotiations, representations, promises, agreements, agreements in principle and memoranda of understanding in connection herewith. None of the Parties will be bound by any prior obligations, conditions or representations with respect to the subject matter of this Agreement, unless expressly incorporated herein. This Agreement may not be modified or amended except in writing and on consent of all Parties and any such modification or amendment which is material to the substance of the Settlement is subject to the approval of the Courts.

### **13.6 Binding Effect**

- (1) If the Settlement is approved by the Courts and becomes final as contemplated in SECTION 9(1), this Agreement shall be binding upon and enure to the benefit of the Plaintiffs, the Class Members, the Defendants, Class Counsel, the Releasees and the Releasers, the insurers, or any of them, and all of their respective heirs, executors, predecessors, successors and assigns. Without limiting the generality of the foregoing, each and every covenant and agreement made herein by the Plaintiff shall be binding upon all Releasers and each and every covenant and agreement made herein by the Defendants shall be binding upon all of the Releasees.

### **13.7 Survival**

- (1) The representations and warranties contained in this Agreement shall survive its execution and implementation.

### **13.8 Negotiated Agreement**

- (1) This Agreement and the Settlement have been the subject of arm's length negotiations between the Parties through their representatives and on the advice of counsel. Each of the Parties has been represented and advised by competent counsel, so that any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafters of this Agreement shall have no force and effect. The Parties further agree that the language contained in or not contained in previous drafts of the Agreement shall have no bearing upon the proper interpretation of this Agreement.
- (2) The Parties acknowledge that they have required and consented that this Agreement and all related documents be prepared in English; les parties reconnaissent avoir demandé que le présent règlement et tous les documents connexes soient rédigés en anglais. Nevertheless, if required by the Courts, Class Counsel and/or a translation firm selected by Class Counsel shall prepare a French translation of the Agreement, the cost of which shall be paid from the Settlement Amount. In the event of any dispute as to the interpretation or application of this Agreement, only the English version shall govern.
- (3) The present Agreement constitutes a transaction in accordance with Articles 2631 and following of the Civil Code of Quebec and the Parties are hereby renouncing any errors or fact, of law and/or calculation.

### **13.9 Recitals**

- (1) The recitals to this Agreement are true, constitute material and integral parts hereof and are fully incorporated into and form part of this Agreement.

# Schedule "A"

## **Did you purchase shares of SNC-Lavalin (“SNC”) between November 6, 2009 to and including February 27, 2012?**

A settlement has been reached in the class actions against SNC and certain of its former officers and directors alleging misrepresentations made in certain of SNC-Lavalin’s public disclosures released between November 6, 2009 and February 27, 2012. The settlement provides for the payment by SNC and its insurers of the total amount of CAD \$110,000,000 to resolve those claims. The settlement is a compromise of disputed claims and is not an admission of liability or wrongdoing by SNC or any of the other Defendants.

The Settlement must be approved by both the Ontario and Québec Courts. Settlement approval hearings have been set for ●, 2018 in Toronto and ●, 2018 in Montreal. At the hearings, the Court will also address motions to approve Class Counsel’s fees, which will not exceed ●% of the recovery plus reimbursement for expenses incurred in the litigation.

Class Members may express their views about the proposed settlement to the Courts. If you wish to do so, you must act by ●, 2018. For more information about your rights and how to exercise them, see the long-form notice available online at ● or call toll-free: ●.

# Schedule "B"

## SNC-LAVALIN (“SNC”) SECURITIES CLASS ACTIONS NOTICE OF SETTLEMENT APPROVAL HEARINGS

### **Read this notice carefully as it may affect your legal rights**

**This notice is directed to:** All persons, wherever they may reside or be domiciled, who acquired common shares of SNC listed on the Toronto Stock Exchange during the period during the period from and including November 6, 2009 to and including February 27, 2012 (the “Class Period”) and still held at the close of trading on the Toronto Stock Exchange on February 27, 2012 other than certain **Excluded Persons\*** and those who validly opted out pursuant to the notice of certification issued on ●, 2013 (“Class Members”).

**\*Excluded Persons** include SNC-Lavalin Group Inc., Ian A. Bourne, David Goldman, Patricia A. Hammick, Pierre H. Lessard, Edythe A. Marcoux, Lorna R. Marsden, Claude Mongeau, Gwyn Morgan, Michael D. Parker, Hugh D. Segal, Lawrence N. Stevenson, Gilles Laramee, Michael Novak, Pierre Duhaime, Riadh Ben Aissa, Stephane Roy (collectively, the “Defendants”) and each of their past and present subsidiaries, affiliates, officers, directors, legal representatives, heirs, predecessors, successors and assigns, and any spouse or child of the Individual Defendants.

### **Purpose of this Notice**

Two class actions brought on behalf of Class Members have settled, subject to Court Approval. This Notice provides Class Members with information about the Settlement and their rights to participate in the court proceedings considering whether to approve it.

### **The Actions**

In 2012, class proceedings were commenced in the Ontario Superior Court of Justice (the “Ontario Action”) and the Québec Superior Court (the “Québec Action”, together with the Ontario Action, the “Actions”) against the Defendants.

The Actions alleged that SNC misrepresented or failed to disclose certain material information relating to the making of improper payments in respect of contracts SNC pursued for projects in Montreal, Québec, Alberta and elsewhere in its securities filings during the Class Period. The Actions alleged that those payments were not properly accounted for, and SNC’s financial statements and management’s discussion and analysis released during the Class Period contained statements that were false or materially misleading. It was alleged that SNC’s securities therefore traded at artificially inflated prices during the Class Period, resulting in damage to Class Members when information relating to those alleged misrepresentations was publicly disclosed.

On September 19, 2012, the Ontario Superior Court of Justice (“Ontario Court”) certified the Ontario Action as a class action on behalf of the Ontario Class Members.

On January 24, 2013, the Superior Court of Québec (“Québec Court”) authorized the bringing of a class action on behalf of the Québec Class Members.

Pursuant to those orders, Class Members were afforded the right to exclude themselves or “opt out” of the Classes no later than May 8, 2013. **Persons who validly exercised the right to opt out are not Class Members, are not affected by this notice and may not participate in the Settlement.**

Since then, the Ontario Action has been vigorously litigated, and the Québec Action has been held in abeyance. On ●, the Plaintiffs and SNC executed a Settlement Agreement providing for the settlement of both Actions (the “Settlement”), which is subject to approval by the Courts. The Settlement Agreement provides for the payment of CAD\$110,000,000.00 (the “Settlement Amount”) in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

The Settlement provides that if it is approved by the Courts, the claims of all Class Members asserted or which could have been asserted in the Actions will be fully and finally released and the Actions will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

#### **Settlement Approval Hearings:**

The Settlement is conditional on approval by the Courts. The Settlement will be approved if the Courts determine that it is fair and reasonable and in the best interests of Class Members to approve it.

The Ontario Court will hear a motion for approval of the Settlement on ●, 2018 at ● a.m. at the Courthouse of the Ontario Court, ●, Toronto, ON, M5G 1E6.

The Québec Court will hear a motion for approval of the Settlement on ●, 2018 at ● a.m. at the Courthouse of the Québec Court, ●, Montreal.

#### **Release of Claims and Effect on Other Proceedings**

If the Settlement Agreement is approved by the Courts, the claims of Class Members which were asserted or which could have been asserted in the Actions will be released and the Actions will be dismissed. Class Members will not be able to pursue individual or class actions in relation to the matters alleged in the Actions regardless of whether or not they file a claim for compensation from the Settlement. **If approved, the Settlement will therefore represent the only means of compensation available to Class Members in respect of the claims asserted in the Actions.**

### **Distribution Protocol**

If the Settlement Agreement is approved by the Courts, the Settlement Amount, after deduction of Class Counsel Fees and Administration Expenses (the “Net Settlement Amount”) will be distributed to Class Members in accordance with the Distribution Protocol, subject to the Courts’ approval.

The Settlement provides that to qualify for compensation, Class Members will be required to submit a properly completed Claim Form to the Administrator within the time prescribed by the Courts. Each Class Member who submits a valid and timely Claim Form will be entitled to receive compensation calculated in accordance with the Distribution Protocol. If the Settlement is approved by the Courts, a further notice will be published which will include instructions on how Class Members can file their Claim Forms and the deadline for doing so.

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the securities legislation of Ontario and Québec. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed *pro rata*, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or allocated in a manner approved by the Courts. In Québec, *The Act Respecting the Fonds d'aide aux actions collectives*, CQLR c F-3.2.0.1.1 will apply to the portion of any remaining balance, if any, attributable to Québec Class Members.

The approval of the Settlement is not contingent on the approval of the Distribution Protocol. The Court may still approve the Settlement even if it does not approve the Distribution Protocol or approves amendments to the Distribution Protocol.

### **Approval of Class Counsel Fees and Expenses:**

In addition to seeking the Courts’ approval of the Settlement Agreement, Class Counsel will seek the Courts’ approval of legal fees not to exceed ●% of the Settlement Fund (“Class Counsel Fees”), plus disbursements not exceeding \$● and applicable taxes. This fee request is consistent with the retainer agreements entered into between Class Counsel and the Representative Plaintiffs at the beginning of the litigation. As is customary in such cases, Class Counsel conducted the class actions on a contingent fee

basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation.

The approval of the Settlement is not contingent on the approval of the Class Counsel Fees requested. The Settlement may still be approved even if the requested Class Counsel Fees are not approved.

The fees of the Administrator, together with any other costs relating to approval, notification, implementation and administration of the settlement (“Administration Expenses”), will also be paid from the Settlement Fund.

**Class Members’ Right to Participate in the Motions for Approval**

Class Counsel has posted or will post the following material on its website (www. ●.com) on or before the dates set out below:

1. The Settlement Agreement (including the proposed Distribution Protocol) ([posted prior to or at time of notice publication]);
2. A summary of the basis upon which Class Counsel recommends the Settlement and Distribution Protocol [at time of notice publication];
3. Sample calculations of notional entitlement calculated using the Distribution Protocol [at time of notice publication];
4. The Plaintiffs’ evidence and written argument in support of the approval of the Settlement and Distribution Protocol [30 days before first approval hearing]; and
5. Class Counsel’s evidence and written argument in support of the request for approval of Class Counsel’s fees and disbursements [30 days before the first approval hearing].

Class Members who wish to comment on, or make an objection to, the approval of the Settlement Agreement, Distribution Protocol, or Class Counsel Fees requested may deliver a written submission to Class Counsel, at the address listed below, no later than [2 weeks before the first approval hearing]●, 2018. Any objections delivered by that date will be filed with the Courts.

Class Members may attend at the hearings whether or not they deliver an objection. The Courts may permit Class Members to participate in the hearings whether or not they deliver an objection. Class Members who wish a lawyer to speak on their behalf at those hearings may retain one to do so at their own expense.

**Did you purchase shares of SNC-Lavalin Group Inc. ("SNC") between November 6, 2009 to and including February 27, 2012?**

A settlement has been reached in the class actions against SNC and certain of its former officers and directors alleging misrepresentations made in certain of SNC-Lavalin's public disclosures released between November 6, 2009 and February 27, 2012.

SNC and its insurers have agreed that the total amount of CAD\$110,000,000 shall be paid in settlement of the class actions. The settlement is a compromise of disputed claims and is not an admission of liability or wrongdoing by SNC or any of the other Defendants.

The Settlement has been approved by both the Ontario and Québec Courts. The Courts have appointed ● as the Administrator of the Settlement. To be eligible for compensation, Class Members must submit a completed Claim Form to [the Administrator](#) no later than ●. If you do not file a claim by this deadline, you may not be able to claim a portion of the Settlement and your claim will be extinguished.

**Important Deadline**

**Claims Bar Deadline** (to file a claim for 11:59 pm Toronto (Eastern) time compensation): on ●

*Claims Forms may not be accepted after the Claims Bar Deadline. As a result, it is necessary that you act without delay.*

**Purpose of this Notice**

The purpose of this Notice is to advise Class Members of the approval of the Settlement of two class proceedings brought on behalf of Class Members. The notice provides Class Members with information about how to apply for compensation from the Settlement. **Class Members who wish to do so must do so by 11:59 pm Eastern time on [date].**

**Court Approval of the Settlement**

In 2012, class proceedings were commenced in the Ontario Superior Court of Justice (the "**Ontario Action**") and the Québec Superior Court (the "**Québec Action**", together with the Ontario Action, the "**Actions**") against the Defendants.

The Actions alleged that SNC misrepresented or failed to disclose certain material information relating to the making of improper payments in respect of contracts SNC

pursued for projects in Montreal, Québec, Alberta and elsewhere. The Actions alleged that those payments were not properly accounted for, and SNC's financial statements and management's discussion and analysis released during the Class Period contained statements that were false or materially misleading. As a result, it was alleged that SNC's securities traded at artificially inflated prices during the Class Period, resulting in damage to Class Members when information relating to those alleged misrepresentations was publicly disclosed.

On September 19, 2012, the Ontario Superior Court of Justice ("**Ontario Court**") certified the Ontario Action as a class action on behalf of the Ontario Class Members.

On January 24, 2013, the Superior Court of Québec ("**Québec Court**") authorized the bringing of a class action on behalf of the Québec Class Members.

Pursuant to those orders, Class Members were afforded the right to exclude themselves or "opt out" of the Classes no later than May 8, 2013. This notice does not affect persons who validly exercised the right to opt out. Persons who opted out are not entitled to participate in the Settlement.

Since then, the Ontario Action has been vigorously litigated and the Québec Action has been held in abeyance. On ●, the Plaintiffs and SNC executed the Settlement Agreement providing for the settlement of the Actions (the "**Settlement**"). The Settlement Agreement provides for the payment of CAD\$110,000,000.00 (the "**Settlement Amount**") in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

In return for the payment of the Settlement Amount, the Settlement provides that the claims of all Class Members asserted or which could have been asserted in the Actions will be fully and finally released and the Actions will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

On ●, 2018 the Ontario Court approved the Settlement and ordered that it be implemented in accordance with its terms. On ●, 2018 the Québec Court approved the Settlement and ordered that it be implemented in accordance with its terms.

The Québec and Ontario Courts also awarded Siskinds LLP, Rochon Genova LLP and Siskinds, Desmeules, Avocats, sncrl (together, "**Class Counsel**") total legal fees, expenses and applicable taxes in the amount of \$● ("**Class Counsel Fees**") inclusive of disbursements of \$●, plus HST. As is customary in such cases, Class Counsel conducted the class actions on a contingent fee basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members.

Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement ("**Administration Expenses**") will also be paid from the Settlement Amount before it is distributed to Class Members.

### **Class Members' Entitlement to Compensation**

Pursuant to the Court orders approving the Settlement, the claims of Class Members which were or could have been asserted in the Actions are now released and the Actions have been dismissed. Class Members may not pursue individual or class actions for those claims, regardless of whether or not they file a claim for compensation from the Settlement. **The Settlement therefore represents the only means of compensation available to Class Members in respect of the claims raised in the Actions.**

Class Members will be eligible for compensation pursuant to the Settlement if they submit a completed Claim Form, including any supporting documentation, with the Administrator, and their claim satisfies the criteria set out in the Plan of Allocation.

To be eligible for compensation under the Settlement, Class Members must submit their Claim Form **no later than** 11:59 ET on ● (the "**Claims Bar Deadline**"). Only Class Members are permitted to recover from the Settlement.

After deduction of Class Counsel Fees and Administration Expenses, the balance of the Settlement Amount (the "**Net Settlement Amount**"), will be distributed to Class Members in accordance with the Plan of Allocation.

Each Class Member who has filed a valid claim will receive a portion of the Net Settlement Amount calculated in accordance with the Plan of Allocation. In order to determine the individual entitlements of Class Members who make claims, the Plan of Allocation provides for the calculation of the notional losses of each claimant in accordance with a formula based on the statutory damages provisions contained in the securities legislation of Ontario and Québec. Once the notional allocations of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional allocations calculated for all valid claims filed. Because the Net Settlement Amount will be distributed *pro rata*, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or allocated in a manner approved by the Courts. In Québec, *The Act Respecting the Fonds d'aide aux actions collectives*, CQLR c F-3.2.0.1.1 will apply to the portion of any remaining balance, if any, attributable to Québec Class Members..

### **Administrator**

The Courts have appointed ● as the Administrator of the Settlement. The Administrator will, among other things: (i) receive and process the Claim Forms; (ii) determine Class Members' eligibility for and entitlement to compensation pursuant to the Plan of Allocation; (iii) communicate with Class Members regarding claims for compensation; and (iv) manage and distribute the Settlement Amount in accordance with the Settlement Agreement and the orders of the Courts. 2. The Administrator shall send the Long Form Notice of Settlement and the Claim Form to the brokerage firms in the Administrator's proprietary databases requesting that the brokerage firms either send a copy of the Long Form Notice of Settlement and the Claim Form to all individuals and entities identified by the brokerage firms as being Class Members, or to send the names and addresses of all known Class Members to the Administrator who shall mail the Long Form Notice of Settlement and the Claim Form to the individuals and entities so identified.

## DISTRIBUTION PROTOCOL

This Distribution Protocol should be read in conjunction with the Settlement Agreement dated ● (“Settlement Agreement”).

### DEFINED TERMS

1. The terms “**Administration Expenses**”, “**Administrator**”, “**Claim Form**”, “**Claims Bar Deadline**”, “**Class Counsel Fees**”, “**Class Members**”, “**Class Period**”, “**Distribution Protocol**”, “**Eligible Securities**”, “**Net Settlement Amount**”, “**Settlement Amount**”, and “**SNC**”, as used herein, are defined in the Settlement Agreement, which definitions apply to and are incorporated herein. In addition, the following definitions apply to this Distribution Protocol:

- (a) “**Acquisition Expense**” means the lesser of
  - (i) the price per share paid to acquire Eligible Securities plus brokerage commissions actually paid; and
  - (ii) \$48.37, plus brokerage commissions actually paid;
- (b) “**Authorized Claimant**” means a Claimant who has suffered a net loss in respect of transactions of Eligible Securities;
- (c) “**Claimant**” means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator, on or before the Claims Bar Deadline;
- (d) “**Disposition Proceeds**” means the price per share actually received by a Claimant on the disposition of Eligible Securities, without deducting any commissions paid in respect of the dispositions;

- (e) “**FIFO**” means “first in, first out”, whereby for the purpose of determining Claimants’ Notional Entitlement, securities are deemed to be sold in the same order that they were purchased (e.g. the first securities of SNC purchased by a Class Member are deemed to be the first securities of SNC sold); and which requires, in the case of a Claimant who acquired SNC securities before the Class Period and held those securities at the commencement of the Class Period, that those securities be deemed to have been sold completely before Eligible Securities are sold or deemed sold;
- (f) “**Net Loss**” means that the Claimant’s total Disposition Proceeds in respect of all Eligible Securities are less than the Claimant’s total Acquisition Expense in respect of all Eligible Securities; and
- (g) “**Notional Entitlement**” means an Authorized Claimant’s notional damages as calculated pursuant to the formulae set forth herein, and which forms the basis upon which each Authorized Claimant’s *pro rata* share of the Net Settlement Amount is determined.

## **OBJECTIVE**

2. The objective of this Distribution Protocol is to equitably distribute the Net Settlement Amount among Authorized Claimants in a manner analogous to the damages provisions of the securities legislation of Ontario and Quebec.

## **PROCESSING CLAIM FORMS**

3. The Administrator shall review each Claim Form and verify that the Claimant is eligible for compensation from the Net Settlement Amount, as follows:

- (a) For a Claimant claiming as a Class Member, the Administrator shall be satisfied that the Claimant is a Class Member;
  - (b) For a Claimant claiming on behalf of a Class Member or a Class Member's estate, the Administrator shall be satisfied that:
    - (i) the Claimant has authority to act on behalf of the Class Member or the Class Member's estate in respect of financial affairs;
    - (ii) the person or estate on whose behalf the claim was submitted was a Class Member; and
    - (iii) the Claimant has provided all supporting documentation required by the Claim Form or alternative documentation acceptable to the Administrator.
4. The Administrator shall ensure that only claims for compensation in respect of Eligible Securities in the Claim Form are approved.

#### **CALCULATION OF NET LOSS AND NOTIONAL ENTITLEMENT**

5. The Net Settlement Amount will be distributed in accordance with this Distribution Protocol.
6. A Claimant must have sustained a Net Loss in order to be eligible to receive a payment from the Net Settlement Amount. A Claimant that has not suffered a Net Loss as calculated under this Distribution Protocol will not be entitled to receive any portion of the Net Settlement Amount.

7. The Administrator shall first determine whether a Claimant has sustained a Net Loss. If the Claimant has sustained a Net Loss, they become an Authorized Claimant, and the Administrator will go on to calculate the Authorized Claimant's Notional Entitlement.
8. The Administrator will apply FIFO to distinguish the sale of SNC securities held at the beginning of the Class Period from the sale of Eligible Securities and will continue to apply FIFO to determine the purchase transactions which correspond to the sale of Eligible Securities.
9. The date of a purchase, sale or deemed disposition shall be the trade date, as opposed to the settlement date of the transaction or the payment date.
10. The Administrator shall account for any splits or consolidations that occurred during and may occur after the Class Period, such that Claimants' holdings for the purposes of the calculations are completed in units equivalent to those traded during the Class Period.
11. The Administrator will use the data, derived from applying FIFO, in the calculation of an Authorized Claimant's Notional Entitlement according to the formulae below.
12. An Authorized Claimant's Notional Entitlement will be calculated as follows:
  - I. **For Eligible Securities disposed of during the 10 trading days following the alleged corrective disclosure, that is, disposed of on or between February 28, 2012 and March 12, 2012, the Notional Entitlement shall be an amount equal to the number of Eligible Securities thus disposed of, multiplied by the difference between the Acquisition Expense and the Disposition Proceeds for those securities;**

- II. For Eligible Securities disposed of after the close of trading on the Toronto Stock Exchange on March 12, 2012, the Notional Entitlement shall be the lesser of A and B, as calculated below:**
- A. an amount equal to the number of Eligible Securities thus disposed of, multiplied by the difference between the Acquisition Expense and the Disposition Proceeds in respect of those securities; and**
- B. an amount equal to the number of Eligible Securities thus disposed of, multiplied by the difference between the Acquisition Expense for those securities and \$41.69.**
- III. For Eligible Securities still held by the Claimant, the Notional Entitlement shall be the difference between the Acquisition Expense in respect of those securities and \$41.69, multiplied by the number of Eligible Securities still held.**
13. In determining whether a Claimant has sustained a Net Loss and calculating an Authorized Claimant's Notional Entitlement, transactions in Eligible Shares in any foreign currency shall be converted to Canadian currency, based on the Bank of Canada noon exchange rate between the Canadian dollar and the foreign currency on the date on which the Administrator calculates the Notional Entitlements of Authorized Claimants. All Notional Entitlements shall be recorded in Canadian currency.

## **COMPLETION OF CLAIM FORM**

14. If, for any reason, a Claimant is unable to complete the Claim Form then it may be completed by the Claimant's personal representative or a member of the Claimant's family duly authorized by the Claimant to the satisfaction of the Administrator.

## **IRREGULAR CLAIMS**

15. The claims process is intended to be expeditious, cost effective and "user friendly" to minimize the burden on Claimants. The Administrator shall, in the absence of reasonable grounds to the contrary, assume Claimants to be acting honestly and in good faith.
16. Where a Claim Form contains minor omissions or errors, the Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Administrator.
17. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Administrator believes that the claim contains unintentional errors which would materially exaggerate the Notional Entitlement awarded to the Claimant, then the Administrator may disallow the claim in its entirety or make such adjustments so that an appropriate Notional Entitlement is awarded to the Claimant. If the Administrator believes that the claim is fraudulent or contains intentional errors which would materially exaggerate the Notional Entitlement to be awarded to the Claimant, then the Administrator shall disallow the claim in its entirety.
18. Where the Administrator disallows a claim in its entirety, the Administrator shall send to the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice advising that the claim has been disallowed and that the Claimant may request the Administrator to reconsider its decision. For greater certainty, a Claimant is not entitled to a notice or a review where a claim is

allowed but the Claimant disputes the determination of Notional Entitlement or his, her or its individual compensation.

19. Any request for reconsideration must be received by the Administrator within 45 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Claimant shall be deemed to have accepted the Administrator's determination and the determination shall be final and not subject to further review by any court or other tribunal.
20. Where a Claimant files a request for reconsideration with the Administrator, the Administrator shall advise Class Counsel of the request and conduct an administrative review of the Claimant's complaint.
21. Following its determination in an administrative review, the Administrator shall advise the Claimant of its determination. In the event the Administrator reverses a disallowance, the Administrator shall send the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice specifying the revision to the Administrator's disallowance.
22. The determination of the Administrator in an administrative review is final and is not subject to further review by any court or other tribunal.
23. Any matter not referred to above shall be determined by analogy by the Administrator in consultation with Class Counsel.

#### **ADDITIONAL RULES**

24. The Administrator shall not make payments to Authorized Claimants whose *pro rata* entitlement under this Plan of Allocation is less than CAD\$10.00. Such amounts shall

instead be allocated *pro rata* to other Authorized Claimants in accordance with the “Final Distribution” section of this Plan of Allocation.

25. Eligible Shares transferred between accounts belonging to the same Claimant(s) during the Class Period shall not be deemed to be Eligible Securities for the purpose of calculating Net Loss unless those securities were initially purchased by the Claimant(s) during the Class Period. The Acquisition Expense shall be calculated based on the price initially paid for the Eligible Securities.
26. The Administrator shall make payment to an Authorized Claimant by either bank transfer or by cheque at the address provided by the Authorized Claimant or the last known postal address for the Authorized Claimant. If, for any reason, an Authorized Claimant does not cash a cheque within six months after the date on which the cheque was sent to the Authorized Claimant, the Authorized Claimant shall forfeit the right to compensation and the funds shall be distributed in accordance with the “Final Distribution” section of this Plan of Allocation.

#### **FINAL DISTRIBUTION**

27. Each Authorized Claimant’s actual compensation shall be the portion of the Net Settlement Amount equivalent to the ratio of his, her or its Notional Entitlement to the total Notional Entitlements of all Authorized Claimants multiplied by the Net Settlement Amount, as calculated by the Administrator.
28. Compensation shall be paid to Authorized Claimants in Canadian currency.
29. If, one hundred eighty (180) days from the date on which the Administrator distributes the Net Settlement Amount to Authorized Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the

Administrator shall, if feasible, reallocate such balance among the Authorized Claimants in an equitable and economic fashion. In the event any such remaining balance is less than may practically be distributed to Authorized Claimants in the opinion of Class Counsel and the Administrator, such balance shall be allocated *cy pres* to one or more recipients to be approved by the Court. The *Act Respecting the Fonds d'aide aux actions collectives*, CQLR c F-3.2.0.1.1 will apply to the portion of any remaining balance, if any, attributable to Quebec Class Members.

30. By agreement between the Administrator and Class Counsel, any deadline contained in this Distribution Protocol may be extended. Class Counsel and the Administrator shall agree to extend a deadline(s) if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

-END-
